

2014 STEAM CUP Online Competition

Official Rules & Regulations

Objective

We expect the STEAM CUP to be a chance to build on the foundation of robotics, cultivate professional level competence, and find potential professionals to lead the future of robotics.

Requirements

There are no special robot requirements to enter this competition but certain restrictions apply. Teams may consist of 1-3 members per team and ask that all names be listed with your submission. You must use a robot. It can be figures but you will be required to explain about your robot. There is no limit as to how many submission you can make each month and even if you have won a certain month, you can re-enter again each month.

Registration

All registration must be done through the Gallery under "STEAM CUP" in the STEAMCUP.ORG website. Please use the example format below to submit your work. Pictures and explanation about your robot is mandatory. We will offer 5 pts for videos. Videos should be uploaded on YouTube first then use that link to post here. In case you are unable to upload your video on YouTube, please upload your video file and we will upload it for you.

The works of authorship contained in this website, including but not limited to all design, text and images (the "Materials"), are owned by the author but may be copied, reproduced, transmitted, displayed, performed, distributed, rented, sublicensed, altered, stored by subsequent use, or otherwise used in whole or in part in any manner without your prior written consent to carry out the online and offline competition.
